

NINTH INTERNATIONAL CONFERENCE OF GEOMORPHOLOGY

ON

GEOMORPHOLOGY AND SOCIETY

(6-11 November, 2017)

organized by

INDIAN INSTITUTE OF GEOMORPHOLOGISTS (IGI)
NORTH-EASTERN HILL UNIVERSITY, SHILLONG

Date: 02.10.2016

9TH ICG

Dear Friends and Colleagues

On behalf of the Indian Institute of Geomorphologists (IGI) I cordially invite you to participate in the 9th International Conference of Geomorphology is going to be held in India during 6-11 November, 2017.

With mountains, plateaus, deserts, plains, wetlands and deltas, India possesses a great geomorphological diversity that only a few countries can rival. A number of Pre-, Mid- and Post-Conference field trips to these areas will also be organized for you to explore their uniqueness.

There will be 40 technical sessions along with a sub-session in the said conference.

There are several sponsorship opportunities in that conference. On behalf of the Organizing Committee I would request all the individuals, organizations, companies and institutions to extend their generous help through sponsoring or enrolling for exhibition to make the conference a grand success.

With kind regards,

Prof. Sunil Kumar De

Convener, 9th International Conference of Geomorphology;
Secretary General, International Association of Geomorphologists (IAG/AIG)
